

Florence and The Machine - Only If For a Night

Tom: Db

(com acordes na forma de Capostraste na 1ª casa C)

Am F
And I had a dream
Am G
About my old school
Em F Am G
And she was there all pink and gold and glittery
I threw my arms around her legs
Am G Em F
Came to weeping, came to weeping
Am G
Came to weeping, came to weeping
Am F
Then I heard your voice as clear as day,
Am G Em F
And you told me I should concentrate,
Am G
It was all so strange,
Am F
And so surreal,
Am G Em F
That a ghost should be so practical.
Am G
Only if for a night
Am F Am G
And the only solution was to stand and fight,
Em F
And my body was loosened,
Am G
I almost saved your life,
Am F
But you came over me like some holy life,
Am G
And I know the whole story,
Em F
You're the only light
Am G
Only if for a night
Am F Am G
The grass was so green against my new clothes,
Em F Am G
And I did cartwheels in your honour, dancing on
tiptoos
Am F Am G
My own secret ceremonials before the service began,
Em F Am G
In the graveyard, doing handstands.
Am F
Then I heard your voice as clear as day,
Am G Em F
And you told me I should concentrate,
Am G
It was all so strange,
Am F
And so surreal,

Am G Em F
That a ghost should be so practical.

Am G
Only if for a night
Am F Am G
And the only solution was to stand and fight,
Em F
And my body was loosened,
Am G
I almost saved your life,
Am F
But you came over me like some holy life,

You're the only light
Am G
Only if for a night
