Tom: C

Am
The looking glass, so shiny and new

G
How quickly the glamor fades

F7M
I start spinning slipping out of time

F7M **F7M** **G**
Was that the wrong pill to take?

Am
You made a deal, and now it seems you have to offer up

G
But will it ever be enough

F7M
It's not enough

F7M **F7M** **G**
Here I

Am **G**
am, a rabbit hearted girl, Frozen in head

lights. It seems I've

F7M **F7M** **G**
made the final sacri-

fice. We raise it

F **G**
up, this offe-

ring. We raise it

F7M **G**
up.

Dm **F**
This is a gift, it comes with a price

Am **G**
Who is the lamb and who is the knife

Dm **F**
Midas is king and he holds me so tight

Am **G**
And turns me to gold in the sunlight

Am
I look around, but I can't find you

G
If only I could see your face

F7M
Instead of rushing towards the skyline

F7M **F7M** **G**
I wish that I could just be brave. I must be-

Am **G**
come a lion hearted girl, ready for a

F7M
fight before I

F7M **F7M** **G**
make the final sacri-

Am **G**
fice. We raise it

F **G**
up, this offe-

Am **C**
ring. We raise it

F7M **G**
up.

Dm **F**
This is a gift, it comes with a price

Am **G**
Who is the lamb and who is the knife

Dm **F**
Midas is king and he holds me so tight

Am **G**
And turns me to gold in the sunlight

Am
Raise it up, raise it up

Am
(repeat) And in the

Am **G**
spring I shed my skin, and it blows a-

F **G**
way with the changing wind. The water has

Am **C**
turned from blue to red, as towards the sky

F7M **G**
sky I offer it

Dm **F**
This is a gift, it comes with a price

Am **G**
Who is the lamb and who is the knife

Dm **F**
Midas is king and he holds me so tight

Am **G**
And turns me to gold in the sunlight

Dm **F**
This is a gift, it comes with a price

Who is the lamb and who is the knife

Dm **F**
Midas is king and he holds me so tight
