

# Florence and The Machine - Ship To Wreck

Tom: C

Am F Dm Am  
 Don't touch the sleeping pills, they mess with my head,  
 Am F Dm Am  
 Dredging the Great White Sharks, swimming in the bed,  
 Am F Dm Am  
 Here comes a Killer Whale, to sing me to sleep,  
 Am F Dm Am  
 Thrashing the covers off, it has me by its teeth,

C Dm Am F  
 And oh my love remind me, what was it that I said?  
 C Dm Am F  
 I can't help but pull the earth around me, to make my bed  
 C Dm Am F  
 And oh my love remind me, what was it that I did?

C  
 Did I drink too much?

Dm  
 Am I losing touch?  
 Am F  
 Did I build this ship to wreck?

Am F Dm Am  
 To wreck, to wreck,  
 Am F  
 To wreck,  
 Dm Am  
 Did I build this ship to wreck?

Am F Dm Am  
 What's with the long face? Do you want more?  
 Am F Dm Am  
 Thousands of red-eyed mice, scratching at the door,  
 Am F Dm Am  
 Don't let the curtain catch you, cos you've been here before,  
 Am F Dm Am  
 The chair is an island darling, you can't touch the floor,

C Dm Am F  
 And oh my love remind me, what was it that I said?  
 C Dm Am F  
 I can't help but pull the earth around me, to make my bed  
 C Dm Am F  
 And oh my love remind me, what was it that I did?

C  
 Did I drink too much?

Dm  
 Am I losing touch?  
 Am F  
 Did I build this ship to wreck?

Am F Dm Am  
 To wreck, to wreck,  
 Am F  
 To wreck,  
 Dm Am  
 Did I build this ship to wreck?

Am F Dm Am

F G Am  
 And good god, under star disguise we are lost,  
 F G  
 And into the breach we got tossed,  
 Am F  
 And the water's coming in fast!

C Dm Am F  
 And oh my love remind me, what was it that I said?  
 C Dm Am F  
 I can't help but pull the earth around me, to make my bed  
 C Dm Am F  
 And oh my love remind me, what was it that I did?

C  
 Did I drink too much?

Dm  
 Am I losing touch?  
 Am F  
 Did I build this ship to wreck?

Am F Dm Am  
 To wreck, to wreck,  
 Am F  
 To wreck,  
 Dm Am  
 Did I build this ship to wreck?

Am F Dm Am  
 To wreck, to wreck,  
 Am F  
 To wreck,  
 Dm Am  
 Did I build this ship to wreck?
