

# Florence and The Machine - Strangeness And Charm

Tom: C

<sup>Am</sup>  
Hydrogen in our veins, it cannot hold itself,  
Our blood is boiling  
And the pressure in our bodies  
That echoes up above it is exploding  
And our particles that burn it all  
Because they aim for each other  
And although we stick together  
It seems that we are estranging one another

<sup>G</sup>  
So, Feel it on me love

Feel it on me love  
<sup>E</sup> <sup>F</sup>

And atom to atom

Oh can you feel it on me love? <sup>E</sup> <sup>F</sup>

And a pattern to pattern

Oh can you see it on me love? <sup>Am</sup>

<sup>G</sup>  
Atom to atom

Oh what's the matter with me love? <sup>E</sup> <sup>F</sup>
