

# Florence and The Machine - Swimming

Tom: C  
Intro: ? F / C / G / / /  
G / C / F / / /

Your songs remind me of swimming,  
Which I forgot when I started to sink  
Dragged further away from the shore,  
And deeper into the drink

Sat on the bottom of the ocean,  
A stern and stubborn rock  
Cos your songs remind me of swimming,  
But somehow I forgot

I was sinking, now I'm sunk  
And I was drinking, and now I'm drunk  
Your songs remind me of swimming,  
But somehow I forgot.

I tried to remember the chorus,  
I can't remember the verse  
Cos that song that sent me swimming,  
Is now the life jacket that burst

Rotting like a wreck on the ocean floor,  
Sinking like a siren that can't swim anymore  
Coz your songs remind me of swimming,  
But I can't swim anymore

Pull me out the water, cold and blue,

I open my eyes and see that it's you,  
So I'll dive straight back in the ocean  
Yes I'll dive straight back in the ocean

Take a deep breath suck the water in my chest  
Take a deep breath suck the water in my chest  
Then cross my fingers,  
Then I'll hope for the best

Then all of a sudden, I heard a note,  
It started in my chest, and ended in my throat

Then I realise  
Then I realise  
Then I realised  
I was swimming, yes I was swimming  
And now I'm swimming, yes I am swimming

Your songs remind me of swimming,  
Which I forgot when I started to sink  
Your songs remind me of swimming  
Which I forgot when I started to sink  
Oh your songs remind me of swimming  
Which I forgot when I started?  
Your songs remind me of swimming  
Which I forgot when I started

To sink.
