

# Florence and The Machine - The End Of Love

Intro: G C Am7 Bb  
G C Am7 Bb

I feel nervous in a way that can't be named  
I dreamt last night of a sign that read, "The end of love."  
And I remember thinking  
Even in my dreaming it was a good line for a song

[Pré-Refrão]

We're a family pulled from the flood  
You tore the floorboards up  
And let the river rush in  
Not wash away, wash away

[Refrão]

We were reaching in the dark  
That summer in New York  
And it was so far to fall  
But it didn't hurt at all  
And let it wash away, wash away

And in a moment of joy and fury I threw myself  
From the balcony like my grandmother so many years before me  
I've always been in love with you  
Could you tell it from the moment that I met you?

[Pré-Refrão]

We're a family pulled from the flood  
You tore the floorboards up

Tom:  
And let the river rush in  
Not wash away, wash away

[Refrão]  
We were reaching in the dark  
That summer in New York  
And it was so far to fall  
But it didn't hurt at all  
And let it wash away, wash away

[Ponte]

And Joshua came down from the mountain  
With a tablet in his hands  
Told me that he loved me, yeah  
And then ghosted me again

[Refrão]

We were reaching in the dark  
That summer in New York  
And it was so far to fall  
But it didn't hurt at all  
And let it wash away, wash away

[Refrão]

We were reaching in the dark  
That summer in New York  
And it was so far to fall  
But it didn't hurt at all  
And let it wash away, wash away
