   [Verses]
F                Dm
  That original lifeline
          F
Original lifeline
               Dm
That original lifeline

          F
Hey, look up! Don?t make a shadow of yourself
        Dm
Always shutting out the light
 F
Caught in your own creation
               Dm
Look up, look up! It tore you open
             F
And oh, how much?

                                      Gm
Cause there?s a hole where your heart lies
       Bb                        F
And I can see it with my third eye
                                  Gm
And though my touch, it magnifies
          Bb                      F
You pull away, you don?t know why

               Dm
That original lifeline
          F
Original lifeline
               Dm
That original lifeline

          F
Hey, look up! You don?t have to be a ghost
   Dm
Hidden amongst the living
                     F
You are flesh and blood! And you deserve to be loved
           Dm
And you deserve what you are given
             F
And oh, how much?

                                      Gm
Cause there?s a hole where your heart lies
       Bb                        F
And I see can it with my third eye
                                  Gm
And though my touch, it magnifies
          Bb                      F
You turn away, you don?t know why

               Dm

That original lifeline
          F
Original lifeline
               Dm
That original lifeline

          F
  Cause your pain is a tribute
Em
  The only thing you let hold you
Gm
  Wear it now like a mantle
Am
  Always there to remind you
F
  Would you pay it as a tribute?
Em
  The only thing you let hold you
Gm
  Wear it now like the mantle
Am
  Always there to remind you
