Hey, look up! Don't make a shadow of yourself

Dm
Always shutting out the light

Caught in your own creation

Dm
Look up, look up! It tore you open

F
And oh, how much?

Gm
Cause there's a hole where your heart lies

Bb F
And I can see it with my third eye

Gm
And though my touch, it magnifies

Bb F
You pull away, you don't know why

Dm
That original lifeline
