

Florence and The Machine - Too Much Is Never Enough

Tom: E

[Intro]
E Dbm A x4

[Verse]
E Dbm A
And the crown it weighs heavy
E Dbm A
'Till it's banging on my eyelids
E Dbm
Retreating in covers and closing the curtains
A
One thing's for certain, oh
E Dbm
A year like this passes so strangely
A
Somewhere between sorrow and bliss

[Pre-Chorus]
Gbm Abm A B
Oh, who decides from where up high?
Dbm Abm A
I couldn't say "I need more time"
Gbm Abm A B
Oh, grant that I can stay the night
Dbm Abm A
Or one more day inside this life

[Chorus]
E Dbm A
Too much, too much, too much, too much, too much
Gbm
Never enough
E Dbm A
Too much, too much, too much, too much, too much
Gbm
Never enough
E Dbm A
Too much, too much, too much, too much, too much
Gbm
Never enough
E D A
Too much, too much, too much, too much, too much
Never, never, never enough

[Verse]
E Dbm A
Oh, you wondrous creature
E Dbm A
Coming up who we are
E Dbm
Cause I'm retreating in covers and closing the curtains
A
One thing's for certain, oh
E Dbm
A year like this passes so strangely
A
Somewhere between sorrow and bliss, oh

[Pre-Chorus]
Gbm Abm A B
And who decides from where up high?
Dbm Abm A
I couldn't say "I need more time"
Gbm Abm A B

Oh, grant that I can stay the night
Dbm Abm A
Or one more day inside this life

[Chorus]
E Dbm A
Too much, too much, too much, too much, too much
Gbm
Never enough
E Dbm A
Too much, too much, too much, too much, too much
Gbm
Never enough
E Dbm A
Too much, too much, too much, too much, too much
Gbm
Never enough
E D A
Too much, too much, too much, too much, too much
Never, never, never enough

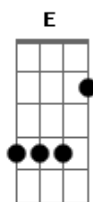

[Bridge]
E B
And who cares about the thing I did that night?
Cdim Dbm Gbm A
So what? Maybe Luna had it right
E B
And who cares if I'm coming back alive?
Cdim Dbm Gbm A
So what? At least I have the strength to fight

[Chorus]
E Dbm A
Too much, too much, too much, too much, too much
Gbm
Never enough
E Dbm A
Too much, too much, too much, too much, too much
Gbm
Never enough
E Dbm A
Too much, too much, too much, too much, too much
Gbm
Never enough
E D A
Too much, too much, too much, too much, too much
Never, never, never enough

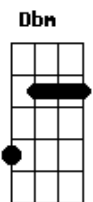

[Outro]
E Dbm A Gbm
One other year; a hundred flags flying in a field
E Dbm A Gbm
One more day, felt it let go of me
E Dbm A Gbm
One other year; a hundred flags flying in a field
E D A Gbm Abm
One more day, felt it let go of me
A
A hundred flags flying in a field
E A Gbm
One more day, felt it let go of me
E A Gbm
One other year; a hundred flags flying in a field
E A Gbm
One more day, felt it let go of me
