Florence and The Machine - What The Water Gave Me

Tom: Eb

```
 (com acordes na forma de                   D )
Capostraste na 1ª casa
 Em                Bm
Time it took us
D                  A
To where the water was
 Em                        Bm
That?s what the water gave me
 Em                  Bm
And time goes quicker
    D          A
Between the two of us
 Em                      Bm
Oh, my love, don?t forsake me
 D                        A
Take what the water gave me

        Em   Bm
Lay me down
         D      A
Let the only sound
         Em    Bm
Be the overflow
                D       A
Pockets full of stones

        Em   Bm
Lay me down
         D      A
Let the only sound
             Em Bm D     A
Be the overflow

 Em              Bm
And oh poor Atlas
 D                         A
The world?s a beast of a burden
    Em                    Bm
You?ve been holding on a long time
 Em            Bm
And all this longing
 D                        A
And the shields are left to rust
    Em                 D         A
That?s what the water gave us

         Em   Bm
So Lay me down
         D      A
Let the only sound
         Em    Bm
Be the overflow
               D       A
Pockets full of stones
```

```
           Em   Bm
Lay me down
           D       A
Let the only sound
             Em Bm D     A
Be the overflow

 Em                      Bm
'Cause they took your loved ones
 D                              A
But returned them in exchange for you
 Em                          Bm
But would you have it any other way?
 Em                         Bm
Would you have it any other way?
 D                                A
You could have had it any other way
 Em                             Bm
'Cause she?s a crueller mistress
 D                         A
And the bargain must be made
 Em                         Bm
But oh, my love, don?t forget me
 D                           A
But I let the water take me

           Em   Bm
Lay me down
           D       A
Let the only sound
           Em    Bm
Be the overflow
               D       A
Pockets full of stones

           Em   Bm
Lay me down
           D       A
Let the only sound
             Em Bm D     A
Be the overflow

           Em   Bm
Lay me down
           D       A
Let the only sound
           Em    Bm
Be the overflow
               D       A
Pockets full of stones

           Em   Bm
Lay me down
           D       A
Let the only sound
             Em Bm D     A
Be the overflow
```
