 Am I making sense? How can you make it stick  
 A Gbm  
 Waiting 'til the beat comes out  
 Dbm  
 Who's a heretic, child

 Fire, help me to forget  
 Chained and shackled, oh  
 All that gravel, oh  
 It's a pity, oh  
 Never to return  
 But I never learn  
 It's a pity, oh (a Capella)  
 Chained and shackled, oh  
 All that gravel, oh  
 It's a pity, oh  
 Say I won't return  
 But I never learn  
 It's a pity, oh  
 Ooh...
