

# Florence and The Machine - You've Got The Love

Tom: D

Em D  
Sometimes I feel like throwing my hands up in the air

A  
I know I can count on you

Em D  
Sometimes I feel like saying "Lord I just don't care"

A  
But you've got the love I need To see me through

Em D  
Sometimes it seems that the going is just too rough

A  
And things go wrong no matter what I do

Em D  
Now and then it seems that life is just too much

A  
But you've got the love I need to see me through

Rm D A  
When food is gone you are my daily meal

Em D A  
When friends are gone I know my savior's love is real

Your love is real

Em  
You got the love

D  
You got the love

A  
You got the love

Em  
You got the love

D  
You got the love

You got the love

A  
You got the love

Em D  
Time after time I think "Oh Lord what's the use?"

A  
Time after time I think it's just no good

Em D  
Sooner or later in life, the things you love you loose

A  
But you got the love I need to see me through

Em  
You got the love

D  
You got the love

A  
And you got the love

Em  
You got the love

D  
You got the love

A  
And you got the love

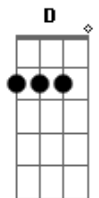

Em D  
Sometimes I feel like throwing my hands up in the air

A  
Cause I know I can count on you

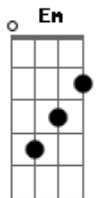

Em D  
Sometimes I feel like saying "Lord I just don't care"

A  
But you've got the love I need to see me through.
