

# floreosso - Odeio Fade Out

Tom: A

A  
Moça, eu odeio fade out

Pois ele acaba com tudo devagar

A  
Como foi o nosso amor

Passou de uma bela canção

Pra barulho de fundo

D E  
Eu nem posso acreditar

D E  
Tudo de todo esse esforço pra ouvir

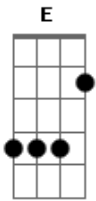

Gbm G  
Voce dizer, voce fugir

D E  
Cada detalhe era tão disponível

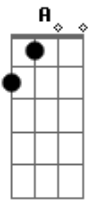

Gbm G  
Hoje eu nem consigo lembrar voce

G B Bb  
Me pedir mais um refrão
