

# Florian Tristan - Love Is Dead

tom:

A

[Parte 1]

**Am**  
I am only feeling good when  
**F**  
I know you're around  
**C**  
I'm only singing when I  
**E7**  
Know you hear my sound

[Parte 2]

**Am**  
I hope my spoken words will  
**F**  
Finally reach you  
**C**  
Open up your wounds and  
**E7**  
Let you bleed too

[Refrão]

**Am**  
'Cause you, you  
**F**  
You treated me so bad  
**C**  
And you, you  
**E7**  
You're my only regret  
**Am**  
And you, you  
**F**  
You wish we never met  
**C**  
And you, you  
**E7**  
You should know love is dead  
**F** **Am**  
I want your heartbeat faster  
**F** **Am**  
I want your heartbeat faster

[Parte 3]

**Am**  
I hope your sadness gives me  
**F**

Some peace of mind

**C**  
I hope your tears will make  
**E7**  
Me feel satisfied

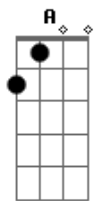

[Refrão]

**Am**  
'Cause you, you  
**F**  
You treated me so bad  
**C**  
And you, you  
**E7**  
You're my only regret  
**Am**  
And you, you  
**F**  
You wish we never met  
**C**  
And you, you  
**E7**  
You should know love is dead  
**F** **E7** **Am**  
I want your heartbeat faster  
**F** **E7** **Am**  
I want your heartbeat faster

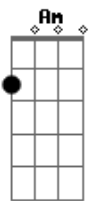

[Refrão]

**Am**  
'Cause you, you  
**F**  
You treated me so bad  
**C**  
And you, you  
**E7**  
You're my only regret  
**Am**  
And you, you  
**F**  
You wish we never met  
**C**  
And you, you  
**E7**  
You should know love is dead
