

Florida Georgia Line - Stay

Tom: Ab

I'd sell my soul just to see your face
 And I'd break my bones just to heal your pain
 In these times I need a saving grace
 But time is running out and I'm starting to lose my faith

But if I told you I loved you, would it make you want to stay?

I'm sorry for the way I hurt you and making you walk away.

And if I wrote you a love song and sang it to you every day,

Would it ever be enough to make you wanna come back home and stay?

Ab

Make, make you want to stay?

My heart's on my sleeve, but it's turning black.

Without your touch I'm not gonna last.

It feels like my walls are caving in.

And I'll do anything to have you here again.

Yeah, the days are cold, the nights are long.

And I can't stand to be alone.

Please know this is not your fault.

And all I want...
