

Flower Face - Tell Me When It Hurts

tom:

[Intro] Em Em G G

Em Em G G

[Primeira Parte]

Em I hate to see you hurt but I love to watch you cry
 Em I want to make you squirm, I want to get you high
 Em I like to watch you sleep, watch the light break through your eyes
 Em I want to crawl into your skin like a poison parasite

[Refrão]

Em Tell me if it hurts, tell me when it hurts
 C You won't love it anymore
 G Am Cause you only love me when you're bored
 Em G Tell me if it hurts, tell me when it hurts
 C G Am You won't love it anymore and I'll always hate you when you go
 C So tell me if it hurts, tell me when it hurts

(Em Em G G)
 (Em Em G G)

[Segunda Parte]

Em I want to make you smile, I want to push you around
 Em I want to kiss you soft, I want to hold you down
 Em G I want to live inside your lungs, I want to feel you from inside
 Em Am

You know I'll never s----top until your skin's all mine

[Refrão]

Em G Tell me if it hurts, tell me when it hurts
 C You won't love it anymore
 G Am Cause you only love me when you're bored
 Em G So tell me if it hurts, tell me when it hurts
 C G Am You won't love it anymore and I'll always hate you when you go
 C So tell me if it hurts, tell me when it hurts

(Em Em G G)
 (Em Em G)

[Terceira Parte]

Em I want to hold your hand, I want to hold your throat
 Em I want you marked with blood and broken bones
 Em I want to eat at you the way it eats at me
 Em I want you so bad that I can't breathe

[Refrão]

Em G So tell me if it hurts, tell me when it hurts
 C You won't love it anymore
 G Am Cause I only hurt you when I'm bored
 Em G So tell me if it hurts, tell me when it hurts
 C G Am You won't love it anymore but you'll always love me when I'm gone
 C So tell me if it hurts, tell me when it hurts
