

Flume - Never Be Like You (feat. Kai)

Tom: C

Intro: C Dm7 Am F

What I would do to take away
 This fear of being loved, allegiance to the pain
 Now I fucked up and I miss you
 I'll never be like you

I would give anything to change
 This fickle-minded heart that loves fake shiny things
 Now I fucked up and I miss you
 I'll never be like you

I'm only human, can't you see?
 I made, I made a mistake
 Please just look me in my face
 Tell me everything's okay
 'Cause I got it
 Ooh, never be like you

I'm only human, can't you see?
 I made, I made a mistake
 Please just look me in my face
 Tell me everything's okay
 'Cause I got it
 Ooh, never be like you

How do I make you wanna stay?
 Hate sleeping on my own, missing the way you taste
 Now I fucked up and I miss you
 I'll never be like you

Stop looking at me with those eyes
 Like I could disappear and you wouldn't care why
 Now I fucked up and I miss you
 I'll never be like you

I'm only human, can't you see?
 I made, I made a mistake

Please just look me in my face
 Tell me everything's okay
 'Cause I got it
 Ooh, never be like you
 I'm only human, can't you see?
 I made, I made a mistake
 Please just look me in my face
 Tell me everything's okay
 'Cause I got it
 Ooh, never be like you

I'm falling on my knees
 Forgive me, I'm a fucking fool
 I'm begging, darling, please
 Absolve me of my sins, won't you?
 I'm falling on my knees
 Forgive me, I'm a fucking fool
 I'm begging, darling, please
 Absolve me of my sins, won't you?

I'm only human, can't you see?
 I made, I made a mistake
 Please just look me in my face
 Tell me everything's okay
 'Cause I got it
 Ooh, never be like you

I'm only human, can't you see?
 I made, I made a mistake
 Please just look me in my face
 Tell me everything's okay
 'Cause I got it
 Ooh, never be like you

Baby, baby please believe me
 C'mon, take it easy
 Please don't ever leave me
 Ooh, never be like you
