

Flume - Never Be Like You (feat. Kai)

Tom: C
Intro: C Dm Am F

What I would do to take away
This fear of being loved, allegiance to the pain
Now I fucked up and I miss you
I'll never be like you

I would give anything to change
This fickle-minded heart that loves fake shiny things
Now I fucked up and I miss you
I'll never be like you

I'm only human, can't you see?
I made, I made a mistake
Please just look me in my face
Tell me everything's okay
'Cause I got it
Ooh, never be like you
I'm only human, can't you see?
I made, I made a mistake
Please just look me in my face
Tell me everything's okay
'Cause I got it
Ooh, never be like you

How do I make you wanna stay?
Hate sleeping on my own, missing the way you taste
Now I fucked up and I miss you
I'll never be like you

Stop looking at me with those eyes
Like I could disappear and you wouldn't care why
Now I fucked up and I miss you
I'll never be like you

I'm only human, can't you see?
I made, I made a mistake

Please just look me in my face
Tell me everything's okay
'Cause I got it
Ooh, never be like you

I'm falling on my knees
Forgive me, I'm a fucking fool
I'm begging, darling, please
Absolve me of my sins, won't you?
I'm falling on my knees
Forgive me, I'm a fucking fool
I'm begging, darling, please
Absolve me of my sins, won't you?

I'm only human, can't you see?
I made, I made a mistake
Please just look me in my face
Tell me everything's okay
'Cause I got it
Ooh, never be like you

I'm only human, can't you see?
I made, I made a mistake
Please just look me in my face
Tell me everything's okay
'Cause I got it
Ooh, never be like you

Baby, baby please believe me
C'mon, take it easy
Please don't ever leave me
Ooh, never be like you
