

# Flying Pickets - Only You

C tom:

C G Am  
Looking from a window above is like a  
G F C G  
Story of love, can you hear me?  
C G Am G  
Came back only yesterday, we're moving  
F C G  
Farther away, want you near me

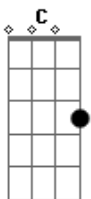

F G C  
All I needed was the love you gave, all  
Am  
I needed for another day  
F G C  
And all I ever knew - only you

C G Am  
Sometimes when I think of her name  
G F C G  
When it's only a game, and I need  
You

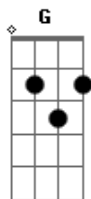

C G Am  
Listen to the words that you say, it's  
G F C G  
Getting harder to stay, when I see you

F G C  
All I needed was the love you gave, all
