

Flyleaf - Circle

Tom: A

(com acordes na forma de Capotraste na 2ª casa G)

Circle encircles the earth chance and choice break his heart

His innocent arm moves to save me and i am spared

His beautiful arm is bloody and cut off

His heart ripped out to show me he loved me

But i would not believe him he did all that he could

I still would not believe him, oh. . .

I left his arms empty and tied out stretched for me until he died

I left his arms empty and tied out stretched for me until he died

No man shows greater love than when a man lays down his life
For his beloved

I left his arms empty and tied out stretched until he died

I left his arms empty and tied outstretched for me until he died

Here i'm alive and i don't have the right and he gave me the right

Costing him his life new mercy's in the morning

I believe what if i believe you now could it ever change this,oh?

Forgive me, believe me please come back tonight
