

# Flyleaf - Head Underwater

Tom: Eb

(com acordes na forma de Capotraste na 1ª casa D)  
Intro: Bm G D Bm G D Bm

G D Bm  
Head underwater  
G D Bm  
Don't think I have the strength tonight  
G D Bm  
They push me any further  
G D Bm  
I will find the words to fight  
G D Bm  
'Cause what they say about me  
G D Bm  
Cuts deeper than the sharpest knife  
G D Bm  
And in my head a replay  
G D  
I'm looking at that red light

Bm G D Bm G D Bm

G D Bm  
I'll drown in the water  
G D Bm  
If I listen to the sound  
G D Bm  
Of cruel laughter  
G D  
I let the stones fall to the ground

Bm G D Bm  
They don't know a thing about me  
G D (hold)  
And still the wolves are crying out  
Bm G D Bm G  
And I hear you say, "I'll take you away"  
Bm G  
So will you stand for something  
D A  
And give them back the ammunition  
Bm G  
Or will you let them tell you who you are  
G  
My love is deeper than the stars  
Bm G  
You are bigger than the scars that you feel at night  
D A  
When you're holding your pillow tight  
Bm G  
And you're wishing someone would call you home  
G  
It's you and I alone  
A Bm G  
It's you and I alone  
A Bm G  
You and I alone  
D A Bm G  
It's you and I alone  
A Bm G  
You and I alone  
Bm  
Head underwater  
Don't think I have the strength tonight
