## **Ellen Foley - Sad Song**

tom: G G It's a sad song D When love goes wrong Leaves you feeling D Am Like you never felt before G Don't it hurt you D And introvert you C Leave you bleeding D Am Feel so low and insecure D С Broken hearted melody G Bm Em D Oh what have you done to me? C Bm Am C I feel that time alone can say D Where I'll end up now G What a sad song D When loves goes wrong Leaves you feeling D Am That you never felt before G Don't it shake you D Almost break you C Send you reeling D Am Til your rolling out of love

## Broken hearted melody D G Bm Em Oh what have you done to me? Bm Am С C I feel that time alone can say D Where I'll end up now (<mark>G</mark>) (I want you save me) Shalala, shalala D Shalala, shalala Shalala, shalala Am D Shalala, shalala D Broken hearted melody G Bm Em D Oh what have you done to me? Bm Am C I feel that time alone can say D Where I'll end up now G What a sad song D When loves goes wrong Leaves you feeling Am D That you never felt before G Don't it shake you D Almost break you C Send you reeling Am D Til your rolling out of love
