

Fontaines D.C. - In The Modern World

tom:
Fm (forma dos acordes no tom de Gbm)
Afinação: Eb Ab Db Gb Bb Eb

I feel alive
In the city
That you like
And wait for the day
To go dreaming
Right by
Uh-huh-huh-huh
Seems so hard not to be free
When you walk
Right beside me

In the modern world (what?)
In the modern world
I don't feel anything
In the modern world
And I don't feel bad, Charlene
Kissing on the corner (yeah?)
Wait for just a minute (what?)
Come away with me and Sal
I promise you'll be in it
I don't feel bad

I feel alive
In the city
You despise
And wait for the day
When you come
Riding on by
Uh-huh-huh-huh
Seems so hard just to be
If it matters
You complete me
Yeah

In the modern world (what?)
In the modern world
I don't feel anything
In the modern world
I don't feel bad, Charlene

Kissing on the corner (yeah?)
Wait for just a minute (what?)
Come away with me and Sal
I promise you'll be in it
I don't feel bad
In the modern world (what?)
In the modern world
I don't feel no, I don't feel
I don't feel bad

D Gbm (2x)

As long as I've known

As long as I've known

As long as I've known

There's no feeling to draw

You may be the reason

But I am the law

The law

As long as I've known

There's no feeling to draw

You may be the reason

But I am the law

The law

There's no feeling to draw

You may be the reason

But I am the law

The law

I feel alive

In the city

That you like

In the city

That you like

That you like

In the modern world (what?)

In the modern world

I don't feel anything

In the modern world

And I don't feel bad, Charlene

Kissing on the corner (yeah?)

Wait for just a minute (what?)

Come away with me and Sal

I promise you'll be in it

So don't feel bad

In the modern world (what?)
