

Fonte da Vida - Em Tuas Asas

Tom: A
Intro: A Gbm D Bm E

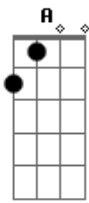

Como é bom, te adorar neste lugar Senhor
Em tua presença, quero ficar
Como é bom desprender de tudo o que sou
E me lançar em teus braços de amor
Em tua asas, me escondo, Tu És a minha fortaleza

O meu Deus, á quem eu tanto amo..
Em tua asas, me escondo, Tu És a minha fortaleza
O meu Deus, á quem eu tanto amo...
Te amo, cada dia mais Te amo
Cada dia mais Te espero
Para estar Contigo Senhor.
