

Foo Fighters - All My Life

```
Tom: Bb
                                                                  I Love It But I Hate That Taste
                                                                  E F Bb
  Riff 1:
                                                                  Hey you Keeping Me Down (2x)
P.M.
                                                                  (Riff 2 [G) (Riff 3 [G)
                                                                  (Riff 4 [G) (Riff 5 [G):
                                                                  Will I find a believer
Riff 2.
                                                                  Another one who believes
                                                                  Another one to deceive
                                                                  Over and over, down on my knees
Riff 3:
                                                                  If I get any closer
                                                                  And if you open up wide
                                                                  And if you let me inside
Riff 4
                                                                  On and on, I've got nothing to hide
                                                                  (Riff 1 [G)
                                                                                (2x):
                                                                  On and on, I've got nothing to hide
P.M.-- ----
                                     --- ----
Riff 5
                                                                  Hey! Don't Let It Go To Waste
P.M.-- ----
                                                                  I Love It But I Hate That Taste
Riff 6:
                                                                       F
                                                                              Bb
                                                                  Hey you Keeping Me Down (2x)
Riff 7:
                                                                  (Riff 2 [G) (Riff 3 [G) (2x)

B | --8-- |
                                                                  (Riff 1 [G) (4x)
G -- 7-- | Sem Deixar a distorção soar
D | --5-- |
                                                                  (Riff 1 [G) (Riff 6 [G):
                                                                  All My Life I've Been Searching for something
A I - - - - i
E | ---- |
                                                                  Something never comes never leads to Nothin'
                                                                  Nothin' satisfies me But I'm Getting Close
Riff 8:
                                                                  Closer to The Prize At The End Of The Rope
                                                                  (Riff 1 [G) (Riff 7 [G):
                                                                  All Night Long I Dream With the Day
                                                                  When It Comes around when it's taken away
[G - Guitarra 1
[G - Guitarra 2
                                                                  Leaves with a feeling that I Feel The Most
                                                                  Feel It Come To Life When I See Your Ghost
(Riff 1 [G):
                                                                  (Riff 1 [G]) (Riff 7 [G]) (5x) Now Done, Done Onto The Next One Done
All My Life I've Been Searching for something
Something never comes never leads to Nothin'
Nothin' Satisfies but I'm Getting Close
                                                                  Done I'm Onto the Next One Done
Closer to the Prize at the End of The Rope
                                                                  I'm Done I'm On The Next!
All Night Long I Dream With the Day
When It comes around when it's taken away
                                                                  (Riff 6 [G1 e \frac{G}{}) (1x)
Leaves with a feeling that I Feel The Most
Feel It Come Alive When I See Your Ghost
                                                                  (Riff 1 \{Sem P.M.\}\ [G1 e G)\ (8x)
                                                                  (Riff 1 {Sem P.M.} [G1 e 2]) (2x): Done! Done! Onto The Next One Done!
(Riff 2 [G) (Riff 3 [G) (2x)
(Riff 4 [G) (Riff 5 [G):
                                                                  Done! I'm Onto the Next One Done!
Come Down Don't You Resist
You have such a delicate wrist
And If I Give It a Twist
                                                                  Hey! Don't Let It Go To Waste
Something to hold then I lose my breath
Will I Find Something In That...
To Get Me Just What It need?
                                                                  I Love It But I Hate That Taste
Another Reason to Bleed
                                                                  Hey you Keeping Me Down (2x)
One By One Hidden Up My Sleeve
                                                                  (Riff 2 [G) (Riff 8 [G)
(Riff 1 [G)
              (2x):
One By One Hidden Up My Sleeve
                                                                  (Riff 2 [G) (Riff 8 [G):
                                                                  Done! Done! Onto The Next One Done!
Hey! Don't Let It Go To Waste
                                                                  Done! I'm Onto the Next One Done!
