

# Foo Fighters - Breakout Acoustic

Tom: **E**

(Normal Tuning)

Intro:

You make me dizzy, running circles in my head  
One of these days I'll chase you down

You can see this on my face, It's all for you  
The more and more I take, I break right through

Therapy still scares me,  
Putting me on my back again

Well look whose going crazy now, we're face to face my friend  
Better get ou-ou-out, better get out

I may be crazy, little frayed around the ends  
One of these days I'll phase you out

Chorus

You know you make me break out, make me break out  
I don't want to look like that  
I don't want to look like that  
You know you make me break out, make me break out  
I don't want to look like that  
I don't want to look like that, you know you make me break out

Burn it in the blast off  
Burn it in the blast off  
Watching me crawl away  
Try to get out, try to get out

Bridge 2 (Coda)
