

Foo Fighters - Breakout

tom: E

You make me dizzy running circles in my head
 One of these days I'll chase you down
 Well look who's going crazy now
 We're face to face my friend
 Better get out
 Better get out

You know you make me break out
 Make me break out
 I don't want to look like that
 I don't want to look like that
 You know you make me break out
 Make me break out
 I don't want to look like that
 I don't want to look like that
 You know you make me break out

You can see this on my face
 It's all for you
 The more and more I take

I break right through
 Therapy still scares me
 Putting me on my back again
 I may be crazy, little frayed around the ends
 One of these days I'll phase you out
 Burn it in the blast off, burn it in the blast off
 Watching me crawl away
 Try to get out, try to get out

You know you make me break out
 Make me break out
 I don't want to look like that
 I don't want to look like that
 You know you make me break out
 Make me break out
 I don't want to look like that
 I don't want to look like that
 You know you make me
 Break OUT
 Break OUT
 Break OUT
 Break OUT
