

# Foo Fighters - Breakout

tom: E

You make me dizzy running circles in my head  
 One of these days I'll chase you down  
 Well look who's going crazy now  
 We're face to face my friend  
 Better get out  
 Better get out

You know you make me break out  
 Make me break out  
 I don't want to look like that  
 I don't want to look like that  
 You know you make me break out  
 Make me break out  
 I don't want to look like that  
 I don't want to look like that  
 You know you make me break out

You can see this on my face  
 It's all for you  
 The more and more I take

I break right through  
 Therapy still scares me  
 Putting me on my back again  
 I may be crazy, little frayed around the ends  
 One of these days I'll phase you out  
 Burn it in the blast off, burn it in the blast off  
 Watching me crawl away  
 Try to get out, try to get out

You know you make me break out  
 Make me break out  
 I don't want to look like that  
 I don't want to look like that  
 You know you make me break out  
 Make me break out  
 I don't want to look like that  
 I don't want to look like that  
 You know you make me  
 Break OUT  
 Break OUT  
 Break OUT  
 Break OUT  
 [Final] B A Dbm E

## Acordes
