## Lyrics

Where are you off to with that head of your's  
Is there somewhere you should be  
Was it something that I said  
The time I held you down  
And told you it's not you it's only me

## Maybe

Don't take what I don't need  
(give me back my peace of mind)  
Don't say what I don't mean  
(give me back my precious time)  
No way you'll silence me, you'll see

What you up to now your mirror's gone  
Is there someone you should be  
Did you think I was just fooling 'round with you  
But honestly x3

Don't take what I don't need  
(give me back my peace of mind)  
Don't say what I don't mean  
(give me back my precious time)  
No way you'll silence me  
(give me back my peace of mind)  
No where to hide from me, you'll see

And tonight I thank the stars  
As I count my lucky scars  
For everything you've given me  
And all the words I gave to you  
Something borrowed something blue  
If you want them back

I'll give it to you (x16)

I have one more thing that I'll give to you
