## Lyrics

Where are you off to with that head of your's Is there somewhere you should be Was it something that I said The time I held you down And told you it's not you it's only me

## Maybe

Don't take what I don't need (give me back my peace of mind) Don't say what I don't mean (give me back my precious time) No way you'll silence me, you'll see

What you up to now your mirror's gone Is there someone you should be Did you think I was just fooling 'round with you But honestly x3

Don't take what I don't need (give me back my peace of mind) Don't say what I don't mean (give me back my precious time) No way you'll silence me (give me back my peace of mind) No where to hide from me, you'll see

And tonight I thank the stars As I count my lucky scars For everything you've given me And all the words I gave to you Something borrowed something blue If you want them back

I'll give it to you (x16)

I have one more thing that I'll give to you
