

Foo Fighters - Halo

Tom: G
Intro: /Verso/Outro:

E D

Good and bad I swear Ive had the both, they're overrated

But, isn't it fun when you get a hole in one

Some gone bad and some come back

The good ones all get taken

Im calling bluff, you ain't strong enough

Pre-Chorus:

Wait and pray you'll pick on me the day I raise my hand

Guess that I've been blessed but I'll be ed

Refrão:

Ha - lo

God only knows

Right behind me everywhere I go (2x)

Verso:

Say your prayers when you get scared

And pray your gon - na make it

And then when done, you keep fing up

One day soon I'll disappear

And if you'll come I'll take you somewhere to go

To keep from growing old

Pre-Chorus:

Wait and pray you'll pick on me the day I raise my hand

Guess that I've been blessed but I'll be ed

Chorus:

Ha - lo

God only knows

Right behind me everywhere I go (2x)

Disappear the light is fading

Disappear out - side their range

Disappear I'm tired of waiting

Disappear be - fore we get aw - a - - y

Solo:

"Awa - - y"

Chorus:

Ha - lo

God only knows

Right behind me everywhere I go (2x)

Then after the chorus, it goes back to the repeating "I go", then to the intro/outro figure. No need for the progression of the parts, just follow the way it's written.
Enjoy! (Vote 5 stars for me!)
