

# Foo Fighters - Home

Tom: C

G Am  
 Wish I were with you  
 F G  
 I couldn't stay  
 G Am  
 Every direction  
 F G  
 Leads me away  
 G Am  
 Pray for tomorrow  
 F G  
 But for today  
  
 F Em C  
 All I want is to be home  
  
 G Am  
 Stand in the mirror  
 F G  
 You look the same  
 G Am  
 Just lookin' for shelter  
 F G  
 From cold and the pain  
 G Am  
 Someone to cover  
 F G  
 Safe from the rain  
  
 F Em C  
 All I want is to be home  
  
 G Am

Echoes and silence  
 F G  
 Patience and grace  
 G Am  
 All of these moments  
 F G  
 I'll never replace  
 G Am  
 No fear of my heart  
 F G  
 Absence of faith  
  
 F Em C  
 All I want is to be home  
 Ooh  
  
 F Em C  
 All I want is to be home  
  
 G Am  
 People I've loved  
 F G  
 I have no regrets  
 G Am  
 Some I remember  
 F G  
 Some I forget  
 G Am  
 Some of them living  
 F G  
 Some of them dead  
  
 F Em C  
 All I want is to be home

## Acordes
