

# Foo Fighters - I Should Have Known

Tom: C

E |-----E F G B A|  
 B |-----|  
 G |-----| (Fazer o Power Chords nesse formato)  
 D |--2---4---5---9---7---|  
 A |--2---4---5---9---7---|  
 E |--0---2---3---7---5---|

I should have known  
 That it would end this way  
 I should have known  
 There was no other way  
 Didn't hear your warning  
 Damn my heart gone deaf  
 I should have known  
 Look at the shape you're in  
 I should have known  
 But I dove right in  
 One thing is for certain  
 as I'm standing here  
 I should have known  
 Lay your hands in mine  
 Heal me one last time  
 Though I cannot forgive you yet  
 No I cannot forgive you yet  
 You leave my heart in debt  
 I should have known  
 I was inside of you  
 I should have known  
 There was that side of you  
 Came without a warning  
 Caught me unaware  
 I should have known

I've been here before  
 I should have known  
 Don't want it anymore  
 One thing is for certain  
 I'm still standing here  
 I should have known  
 Lay your hands in mine  
 Heal me one last time  
 Though I cannot forgive you yet  
 No I cannot forgive you yet  
 To leave my heart in debt  
 No I cannot forgive you yet  
 No I cannot forgive you yet  
 You leave my heart in debt  
 I should have known  
 Maybe you was right  
 Didn't want a fight  
 I should have known  
 Couldn't read the signs  
 Couldn't see the light  
 I should have known  
 Though I cannot forgive you yet  
 No I cannot forgive you yet  
 You leave my heart in debt  
 No I cannot forgive you yet  
 No I cannot forgive you yet  
 You leave my heart in debt  
 No I cannot forgive you yet  
 No I cannot forgive you yet  
 You leave us all in debt  
 I should have know

## Acordes

Ukulele chord diagrams for the following chords: C, E, F, G, B, A, Em, Am, and D. Each diagram shows the fretboard with dots indicating finger positions. The diagrams are arranged in a row, with the chord name above each one. The diagrams are: C (x0233), E (2211), F (1321), G (3203), B (2123), A (2022), Em (0223), Am (0202), and D (xx02).
