

## Foo Fighters - Learn to Fly

```
Intro: 2x: B Gbm E
Run and tell all of the angels
This could take all night
Think I need a devil to help me get things right
Hook me up a new evolution
Cause this one is a lie
                            Gbm
We sat around laughing, and watching the last one die
Refrão:
Now looking to the sky to save me
Looking for a sign of life
Looking for something to help me burn out bright
I'm looking for a complication
Looking to the tide of light
Make my way back home and learn to fly
Interludio: B Gbm E (2x)
Think I'm done nursing patients,
It could wait one night.
Give it all away if you give me one last try
We live happily ever trapped in future save my life.
                            Gbm
Run and tell the angels that everything's alright.
Refrão:
                           Gbm
I'm looking to the sky to save me,
