

Foo Fighters - Let It Die

Tom: **G**

(Don't count all the 3's. Just listen to the song, and follow the rhythm.)

LET IT DIE - Foo Fighters

Tuning: Standard

-BRIDGE- x3

Don't have to be too accurate here, as every note played fits in.

-INTRO- Played once

Then this

Then play 11 more times, except you slide up to 8 on the **D** string. The slide is each time it's played, so listen to the song to figure it out.

Electric comes in here

And follow up with this x3
