Intro: C

Guitarra 1

Guitarra 2

C  
Hey now don't make a sound  
Say have you heard the news today F  
One flag was taken down  
To raise another in its place C  
A heavy cross you bear C  
A stubborn heart remains unchanged F  
No harm, no life, no love  
No stranger singing in your name  
pr-e refrão

Guitarra 1

Guitarra 2

Am G  
Maybe the season  
C G  
The colors change in the valley skies  
Am G  
Dear God, I've sealed my fate  
C  
Running through hell  
D  
Heaven can wait

Refrão

F  
Long road to ruin  
C  
There in your eyes  
F C C-G  
Under the cold streetlights  
Am  
No tomorrow  
D F  
No dead end in sight  
final do refrão (em F )

Verso 2

Guitarra 1

C  
Let's say we take this town  
No king or queen of any state F  
Get up to shut it down  
Open the streets and raise the gates C  
I know a wall to scale  
I know a field without a name F  
Head on without a care  
Before it's way too late  
pré refrão
