

Foo Fighters - Medicine At Midnight

tom:

Intro: Am Em Am Em Am

Am
Say a prayer and close the light

Thumb upon the scale
The pillow is cold, that ship has sailed
Am Dm G Am
Time has run the river dry

Dry as a twisted trail
Dm G
Into the bone, I'm into it
Am
Ever get the feeling, nothing else will do
Am
I can hear you singing, pink turned to blue
Am
Was it your graffiti? Did you write your name?
Am
On the dirty ceiling, I can't explain

Dm G
I need medicine at midnight
Am
But it ain't no cure
Dm G
Medicine at midnight calling
Am
But it ain't no cure
Dm G
I may be sick, but you know I'm yours

Am
I remember dancing hard under the dead Moon
Dm G
Howling with you, howling

Am
Ever get the feeling, nothing else will do

Am
I can hear you singing, I can't explain

Dm G
I need medicine at midnight
Am
But it ain't no cure
Dm G
Medicine at midnight, howling
Am
But it ain't no cure
Dm G Am
I may be sick, but you know I'm yours

(Am Dm G)

Am
Rain on the dance floor, back against the ropes
Am
Rain on the dance floor, back against the ropes
Am
Rain on the dance floor, back against the ropes
Dm G
Rain on the dance floor, back against the ropes
Am
Rain on the dance floor, back against the ropes

Dm G
Medicine at midnight

But it ain't no cure
Am
Medicine at midnight, howling
Am
But it ain't no cure
Dm G Am
I may be sick, but you know I'm yours

Am
Rain on the dance floor, back against the ropes
Am
Rain on the dance floor, back against the ropes
