

# Foo Fighters - Over And Out

Tom: D

Riff 1

Riff 2

Riff 1

Restless little one  
Comfortable and warm  
Let me fall apart  
Crippled in your arms

Chase me through the dark  
Ready on your mark  
First to reach the stars  
Wins a broken heart  
One that broke apart  
Shattered from the start

Are you there?  
Do you read me?  
Are you there?  
I don't feel you anymore

Riff 1  
Cages and alarms  
Keeping us from harm  
I will be the guard  
Hope to rest upon

Could I be the one  
To break a will so strong  
Pray it won't be long  
Til your will is gone  
Everything is done  
Nothing left at all

Are you there?

Do you read me?  
Are you there?  
I don't feel you anymore

Are you there?  
Will you give in?  
Are you there?  
If I give out

( Em - A )  
Over and out

( Em - A )  
Cages and alarms  
Keeping us from harm  
I will be the guard  
Hope to rest upon  
Everything is done  
Nothing left at all

Are you there?  
Do you read me?  
Are you there?  
I don't feel you anymore

Are you there?  
Will you give in?  
Are you there?  
Riff 2  
If I give out

## Acordes
