Versão 1

-----

D  
Every now I'm running out  
Am  
This time I think I'm breaking up  
D  
Come on down, we'll take this town  
Am  
Tonight before it turns to dust  
G D  
You change and then  
G D  
You change again  
Am G D  
Turning like the wheels inside your head  
D  
Every now I'm drifting out  
Am  
This time it keeps on sinking us  
D  
Come on down, we'll take this town  
C  
Tonight before it turns to dust  
G D  
You change and then  
G D  
You change again  
Am G D  
Turning like the wheels inside your head  
D Am  
Overdrive, I'm going life or death  
D C  
Overdrive, I'm going life or death  
D Am  
Overdrive, I'm going life or death  
G D
