

# Foo Fighters - Rescued

tom:

Intro: E Db7 E

[Primeira Parte]

It came in a flash  
 It came out of nowhere  
 It happened so fast  
 And then it was over

[Pré-Refrão]

Are you thinking what I'm thinking?  
 Is this happening now?  
 Are you feeling what I'm feeling?  
 This is happening now

[Refrão]

We're all free to some degree  
 To dance under the lights  
 I'm just waiting to be rescued  
 Bring me back to life  
 Kings and queens and in-betweens  
 We all deserve the right  
 I'm just waiting to be rescued  
 I'm just waiting to be rescued  
 We're all just waiting to be rescued tonight

( E Db7 )

[Segunda Parte]

I fell in a trap  
 My heart's getting colder  
 It's coming on fast  
 It's over my shoulder

## Acordes
