

## Foo Fighters - Run

```
Tom: C
                                                              Segunda Parte
Intro:
                                                              (Riff1)
                                                              We are the nation's stakes, if everything's erased, what you
Refrão:
                                                              gonna' do?
      Am
           Em
                                                              I need some room to breathe, you can run with me, if you
           run for your life with me
                                                              wanted to
Wake up,
C
      Am
           Em
           run for your life with me
                                                              ( C D G )
Wake up,
C Am
          Em
In another perfect life
                                                              (Riff1)
                                                              Yeah you can run with me, if you wanted to
C Am Em
In another perfect light
                                                              ( C D G )
C Am Em D
We run, we run
                                                              Pré-Refrão:
We run
                                                                  D
                                                               Before the time runs out
Riff 1
                                                                       Bb
                                                               There's somewhere to run
Primeira Parte:
                                                              C Am
(Riff 1)
                                                              Wake up,
                                                                         run for your life with me
The rats are on parade, another mad charade, what you gonna
                                                              C
                                                                         Em
                                                              Wake up, run for your life with me
The hounds are on the chase, everything's erased, what you
                                                                         Em
gonna do?
                                                              In another perfect life
I need some room to breathe, you can stay asleep, if you
                                                                 Am
                                                                         Fm
                                                                                 D
                                                              In another perfect light
wanted to
They say that's nothings free, you can run with me, if you
                                                              C Am Em D
wanted to
                                                              We run, we run
                                                              C Am
( C D G )
                                                              We run
(Riff 1)
                                                              E D E D E D E D E D E G D E
Yeah you can run with me, if you wanted to
                                                              Solo: E D A C
( C D G )
Pré-Refrão:
    D
                 C
 Before the time runs out
                                                              Refrão:
         Bh
 There's somewhere to run
                                                                     G D A
                                                              Wake up ----- run for your life with me
Refrão:
                                                              C
                                                              Wake up ----- run for your life with me
C Am
          Em
                                                              C Am Em
Wake up,
           run for your life with me
                                                              In another perfect life
           Em
           run for your life with me
                                                                        Em
                                                                  Am
                                                              In another perfect light
   Am
           Em
In another perfect life
                                                              C Am Em D
                                                              We run, we run
C Am
          Em
                   D
In another perfect light
                                                              C Am
C Am Em D
                                                              We run
We run, we run
                                                              E D E D E D E G E D E G E D E E
C Am
We run
                                                              Run
E D E D E D E
                                                              Final: (Riff 1)
                                                                    E E D E
