Give me the flammable life
I'm cold as a match ready to strike

Here lies a city on fire
Singing along the arsonist choir
Now here I go

It started with a spark
And burned into the dark
Now here I go

Gtr 2 - 2x

Pré-Refrão:

Gtr 1 - 4x

There is a river I found
Into the wild under the ground
So here I go
A button on a string
And I heard everything
Now I here I go

Gtr 2 - 4x

Verso

Oh sweet ignition be my fuse
You have no choice you have to choose
Bid farewell to yesterday
Say goodbye I'm on my way

Gtr 1 - 4x

Gtr 2 - 4x

But in the end we all
Come from what's come before
So here I go

Ponte:

Gtr 1 - 2x

Oh sweet ignition be my fuse
You have no choice you have to choose
Bid farewell to yesterday
Say goodbye I'm on my way
I threw it all away because
I had to be what never was
Been so hungry I could lie
You took my word, I took your wine
And held you with my bloody hands
These rattled bones and rubber bands
Washed them in the muddy water
Looking for a dime and found a quarter
But you can't make me change my name
Will never make me change my name
Pay no mind now ain't that something
Fuck it all I came from nothing

No you can't make me change my name

You'll never make me change my name
