

Foo Fighters - Stairway To Heaven

Tom: C

(Normal Tuning)

Intro: (finger picking)

Verse (finger picking)

There's a lady who's sure all that glitters is gold,
And she's buying a stairway to heaven.

And when she gets there she knows if the stores are closed,
With a word she can get what she came for.

Oooh... And she's buying a stairway to heaven.

There's a sign on the wall but she wants to be sure,
And you know sometimes word have two meanings.

When she gets there she knows if the stores are closed,
With a word she can get what she came for.

Chorus (use a pick for the rest of the song)

And it makes me wonder.

Verse

If there's a bustle in your hedgerow,
It's just a spring clean for the May Queen.

Yes there are two paths you can go by but in the long run,
The piper's calling you to join him.

Interlude

The rhythm part of the Solo and then the Bridge

And as we wind on down the road
Our shadows taller than our souls
There walks a lady we all know
Who shines white light and wants to show
How everything still turns to gold
And if you listen very hard
The tune will come to you at last
When all are one and one is all
To be a rock and not to roll

Outro

And she's buying a stairway to heaven.
