Keep you in the dark  
You know they all pretend  
Keep you in the dark  
And so it all began

Send in your skeletons  
Sing as their bones go marching in... Again  
The need you buried deep  
The secrets that you keep are ever ready  
Are you ready?  
I'm finished making sense  
Done pleading ignorance  
That whole defense

Spinning infinity, Boy  
The wheel is spinning me  
It's never-ending, never-ending  
Same old story

What if I say I'm not like the others?  
What if I say I'm not just another one of your plays?  
You're the pretender  
What if I say I will never surrender? (x2)

In time our soul untold  
I'm just another soul for sale... Oh, well  
The page is out of print  
We are not permanent  
We're temporary, temporary  
Same old story

What if I say I'm not like the others?  
What if I say I'm not just another one of your plays?  
You're the pretender  
What if I say I will never surrender? (x2)

I'm the voice inside your head  
You refuse to hear  
I'm the face that you have to face  
Mirrored in your stare  
I'm what's left, I'm what's right  
I'm the enemy  
I'm the hand that will take you down  
Bring you to your knees

So who are you?  
Yeah, who are you?  
Yeah, who are you?  
Yeah, who are you?

Keep you in the dark  
You know they all pretend

What if I say I'm not like the others?  
What if I say I'm not just another one of your plays?  
You're the pretender  
What if I say I will never surrender? (x4)

So who are you?  
Yeah who are you?

Esse som é muito louco...
