C Em A

The sky is a neighborhood, so keep it down
C Em A

The heart is a storybook, a star burned out
Em B G A

The sky is a neighborhood, don't make a sound
C Em A

Lights coming up ahead, don't look now

The sky is a neighborhood
C Em A

The sky is a neighborhood, don't look now

Em B G A

Oh my dear, heaven is a big thing now, gotta get your sleep
C Em A

somehow

Bangin? on the ceiling, bangin? on the ceiling, keep it down
Em B G A

Oh my dear, heaven is a big thing now, gotta get your sleep
C Em A

somehow

Bangin? on the ceiling, bangin? on the ceiling, keep it down
Em B G A

Oh my dear, heaven is a big thing now, gotta get your sleep
C Em A

somehow

Bangin? on the ceiling, bangin? on the ceiling, keep it down
Em B G A

Mind is a battlefield, all hope is gone
C Em A

Trouble to the right and left, whose side you're on?
Em B G A

Thoughts like a minefield, I'm a ticking bomb
C Em A

Maybe you should watch your step, don't get lost

The sky is a neighborhood
