

Foo Fighters - The Sky Is A Neighborhood

Tom: F
Intro:

[Verse 1]

The sky is a neighborhood, so keep it down
 The heart is a storybook, a star burned out
 The sky is a neighborhood, don't make a sound
 Lights coming up ahead, don't look now

The sky is a neighborhood
 The sky is a neighborhood, don't look now

Oh my dear, heaven is a big bang now, gotta get to sleep somehow
 Bangin? on the ceiling, bangin? on the ceiling, keep it down
 Oh my dear, heaven is a big bang now, gotta get to sleep somehow
 Bangin? on the ceiling, bangin? on the ceiling, keep it down

Mind is a battlefield, all hope is gone
 Trouble to the right and left, whose side you're on?
 Thoughts like a minefield, I'm a ticking bomb
 Maybe you should watch your step, don't get lost

The sky is a neighborhood

The sky is a neighborhood, don't get lost

Oh my dear, heaven is a big bang now, gotta get to sleep somehow
 Bangin? on the ceiling, bangin? on the ceiling, keep it down
 Oh my dear, heaven is a big bang now, gotta get to sleep somehow
 Bangin? on the ceiling, bangin? on the ceiling, keep it down
