Intro: A
 You are maker of all, You are made by none
                    В
                                Dbm
Even when the tide's rising, I'm deep in Your love
You remain in control, with a steady hand
                               Dbm
Even when the lies of this life start to make sense
 So be my guiding light
 When things are black and White
 I'll trust in who You are
             В
 In who You are
Your ways are higher, Your ways are higher
          Dbm B
Than all of my ways, far beyond what I can see
You're higher, Your ways are higher
         Dbm B
For now and always, far beyond what I can see
You're higher
 You have made Yourself known, through the eyes of Faith
                              Dbm
The invisible is visible on the darkest of days
```

```
There's no place You won't go, nothing out of reach
                       В

When things are black and White
 I'll trust in who You are
           В
 In who You are
Your ways are higher, Your ways are higher
          Dbm B
Than all of my ways, far beyond what I can see
You're higher, Your ways are higher
          Dbm B
For now and always, far beyond what I can see
You're higher, You're higher, You're higher
Far beyond what I can see
Dbm
You're higher
