Gm tom: You've heard it from your friends a million times **Cm**

Gm As hard as we've fallen, gonna hit the floor
F Lay down, lay down
Gm I know, things will get harder
 I know, I've lost my manners
Cm If so, like it or not I speak from the heart **F**

[Refrão]

Gm Yeah, you see I forgot how to hold your hand **F** **Eb**
F Forgot how to be your man
Eb **D** Hope that you understand me when I say **Gm**
F **Eb** I needed to be alone, needed some time to grow **F**
Eb **D** **Gm** This will be better for us both
