

Foreigner - I Want To Know What Love Is

Tom: Gb

(com acordes na forma de Capostraste na 1ª casa F)

I've got take a little time
 A little time to think things over
 I'd better read between the lines
 In case I need it when I'm older, oh
 Now, this mountain I must climb
 Feels like the world upon my shoulders
 Through the clouds I see love shine
 It keeps me warm as life grows colder
 In my life there's been heartache and pain
 I don't know if I can face it again
 Can't stop now I've traveled so far
 To change this lonely life
 I want to know what love is
 I want you to show me
 I want to feel what love is
 I know you can show me, oh
 I'm gonna take a little time
 A little time to look around me
 I've got nowhere left to hide
 It looks like love has finally found me
 In my life there's been heartache and pain

I don't know if I can face it again
 Can't stop now I've traveled so far
 To change this lonely life
 I want to know what love is
 I want you to show me
 I want to feel what love is
 I know you can show me
 I want to know what love is
 I want you to show me
 (And I wanna feel) I want to feel what love is
 (I know) I know you can show me
 (Let's talk about love)
 I want to know what love is (love that you feel inside)
 I want you to show me (I'm feeling so much love)
 I want to feel what love is (love you just cannot hide)
 I know you can show me, yeah
 I want to know what love is (let's talk about love)
 I want you to show me
 (I wanna feel) I want to feel what love is
 (And I know and I know) I know you can show me (show me that it's real, yeah)
 I want to know what love is (I wanna know)
 I want you to show me (I wanna know, I wanna know, wanna know)
 I want to feel what love is (I wanna feel)
 I know you can show me
