( F#m, Bm7 )  
 Pushing boundaries  
 I spy with my glassy eyes  
 A turning point to my whole life  
 Rising in these palm trees  
 That's me

Wearing trunks in december  
 Writing to remember

Leaking on the road side  
 Minding the steps, minding the crap  
 Praying for my good angel  
 Praying for my know-how

Planning my costumes for the next carnival  
 That's my heart  
 Distressed and colorful  
 A burning shuttle in the deep blue  
 A sparkling water swimming pool
